

Version 4.03.02:

What's New:

- Added Status on Journal Report
- Allow search empty values on Tap Permits (See Below)
- Added Rain to Flow Daily Reports

Tap Permit Filtering:

1. Go to Tap Permit Listing; Modules → Tap Permits → Tap Permit Listing.
2. When needing to search for empty or null value, leave the search field blank and choose the “empty” value from the operation dropdown.

3. Click search.
