

Version 4.06.05:

What's New:

- Added new Plant Totals Report (see below)

Plant Totals Report:

1. Go to Reports → Daily Plant Totals Report

2. Select dates and a plant to report on and click retrieve.

The screenshot shows a Windows-style application window titled "Municipal Consumption Billing(MCB) (4.06.05)". The menu bar includes "File", "Action", "Window", and "Help". A toolbar contains various icons, with a "Retrieve" icon (a document with a magnifying glass) circled in red. Below the toolbar is a "Daily Report" window. This window has three dropdown menus: "Start:" set to "01/01/2009", "End:" set to "12/31/2009", and "Plant:" set to "Total Donora Plant - DONORA". The main content area of the "Daily Report" window displays the text "Carroll Township Sewage Authority" on the left and "Printed: 01/06/2010" on the right. Below this, a table header is visible with columns labeled "Meter", "Flow", "Precip.", and "Type". The table body is currently empty. At the bottom left of the application window, the status bar shows "Ready".

- 3. Totals will be included at the end of report.
