

Version 4.10.00:

What's New:

- Added Inspected By field on the Tap Permit Module Edit Window (see below)
- Added mail route to ACH letter statement

Added Inspected By Column on Tap Permit:

1. Go to Modules → Tap Permits → Tap Permit Listing. Select or add a new Tap Permit to Edit. The new field is added as shown below.

The screenshot shows a software window titled "Edit Tap Permit Record" with a close button (X) in the top right corner. The form contains the following fields and controls:

- Tap Permit Number:
- Reserve Date: (dropdown arrow)
- Paid Date: (dropdown arrow)
- Paid Amount:
- Issue Date: (dropdown arrow)
- Issued By:
- Inspection Date: (dropdown arrow)
- Inspected By:** (This field is circled in black)
- Permit Type: (dropdown arrow)
- Class: (dropdown arrow)
- Number of EDUs:
- Builder Name:
- Last Name/Company:
- First Name:
- Address:
-
-
- Lot Number:
